

REMARKS

Claim 31 has been rejected under 35 USC §112, second paragraph. With this response, claim 31 has been amended to delete the words "the particular area", and by inserting the words --the reflecting surface--. Support for the reflecting surface is found in claim 30, which depends from claim 26, for which an antecedent basis is found.

Claim 31 is now in condition for allowance. Because all of the claims are now in condition for allowance, such allowance is earnestly solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Paul Davis", is written over a horizontal line. The signature is enclosed within a large, loopy oval shape.
